

THE
RICHARDSON
HUMANE
SOCIETY AND
THE CANINE
CLASSIC

The Canine Classic has become a regular fund raiser for the Richardson Humane Society. As a nonprofit organization, RHS relies solely on your generous donations to rescue, treat, and place deserving animals into forever homes. We hope that this year, our 8th Canine Classic, will be the largest ever. It is our goal to have 100 players. This will only be possible with your help. It costs hundreds of dollars per animal to provide the medical treatment, vaccinations, spay/neuter and training necessary to place animals in deserving homes. The cost can run much higher if heartworm treatment, surgical interventions or other costly conditions exist. Sadly, some animals cannot be saved due to lack of funds and a shortage of homes to foster the pets until adoption. Thank you in advance from the animals yet to be saved and from the Richardson Humane Society for your kind support of this annual event.

Who You're Helping

The Richardson Humane Society assists abandoned, abused and neglected dogs and cats. All animals are examined by a veterinarian, treated and fostered in private homes until they are adopted by their forever family. The Richardson Humane Society is funded solely by your donations. All funds raised help pay for food, medical treatment and training. Since its inception, The Richardson Humane Society has rescued and placed into loving homes over 1,600 dogs and cats.

Come join us in helping these deserving animals. Enjoy a great day of golf, food, and prizes.
