**We want you and your pet get a healthy, happy start on a long life together! To help accomplish this, we require at least one written update on your pet after the adoption is finalized. Two weeks after adoption, we would like to know the following:**

- How is your new family member acclimating in your home and family?
- Please tell us about some of the wonderful, intelligent, cute (or not so cute) things he/she is doing. (Photos are always appreciated!)
- Let us know about any issues we can help you resolve.
- How did things go at your new pet's first vet visit?
- What vet did you visit?
- When did you go?
- What type of heartworm preventative was purchased and when was it given to your pet?
- Were there any medical problems diagnosed? If so, please describe.
- Were any medications prescribed? If so, please list.
- Have any training classes been scheduled? If so, with which trainer? When will classes start?

***Please note: If for any reason and at any time, you decide that yours is not the right home for this pet, the pet must be returned to the Richardson Humane Society per your adoption contract. The adoption fee is nonrefundable.***
